Law Enforcement Agencies  
To  
Achieve Excellence*

Announcing the **New**

**Core Standards  
Verification Program**

for small law enforcement agencies

The Wisconsin Law Enforcement Accreditation Group (WILEAG) has identified 39 CORE standards from within the 235 4th Edition standards in its ACCREDITATION PROGRAM.

**These 39 select standards and the associated agency policies are at the heart of the program. They are focused on:**

- Key Federal & State statutory mandates related to law enforcement.
- Requirements arising from case law.
- Inherent issues related to high risk law enforcement operations.
- Sensitive areas involving community relations.

# Example: State of Wisconsin Mandated Policy

## Core Standard 13-6.1.8 Anatomical Gifts

### 6.1.8 Anatomical Gifts

A written directive requires officers to make a determination of prospective donors of anatomical gifts, or those who have refused such a donation, as outlined in §157.06(12), Wis. Stats.

# Requirements to Show Standard Compliance:

# Purpose:

**The program serves 2 purposes for agencies that successfully participate:**

1. It provides independent verification that the agency is meeting minimum expectations in essential areas of operations and management.
2. It serves as a stepping stone to full accreditation for those agencies that aspire to that level of professional excellence.

# Benefits:

Successful agencies, their employees, affiliates and constituents will have the peace of mind that comes with independent verification that their policies and practices in the essential (core) areas of operations and management meet minimum standards.

## Eligibility:

The program is designed to serve smaller Wisconsin law enforcement agencies.

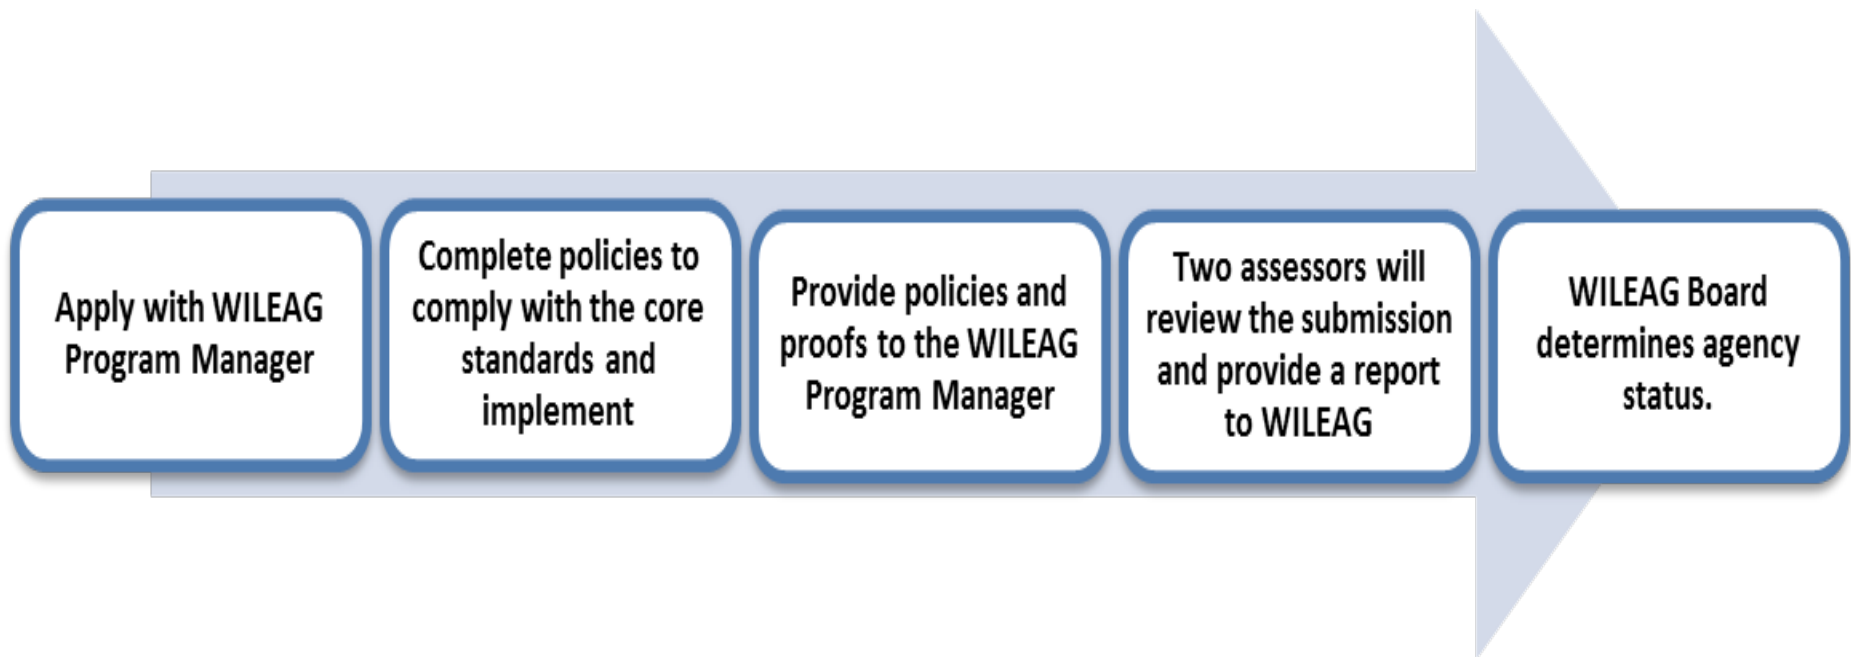

It is available to agencies serving cities, villages and towns under 10,000 population and sheriff's offices serving counties with a county population of 30,000 or less.
